
Jones and Stratford Family in Bisley

I was wondering if anyone had any information on the Jones Family in Bisley. My 4 x Great Grandfather was Abraham Jones who was born in Bisley in 1812. I believe he worked in the Wool and cloth trade. His father was John Jones born in Bisley in 1768 who was married to Sarah Stratford born in Bisley in 1772. They married in 1793.

If anyone has any information on the Stratford or Jones family it would be gratefully recieved.

Many thanks

Gwen
